

# Investing. Simplified.

## Meet Vesta!

Assumption Life's online investment platform simplifies the application process by offering you a guided approach while bringing our exclusive funds and pre-packaged solutions to you – all in one place!

**Less time spent on applications means more time growing your business.**

**Here's how Vesta works for you:**

- Reduces time spent correcting application errors
- Streamlines the entire application process for you, with pre-populated forms, client search features, and more
- Includes a built-in investor profile to help you customize solutions for your clients' needs
- Gives you access to our complete investment offerings, and our fund managers who will help you mitigate risk and manage performance
- Allows you to take control and customize your clients' experiences entirely on your own, or choose from one of our many pre-packaged solutions
- Reduces paper forms so you can ditch the briefcase
- Offers 24/7 online access for anytime, anywhere applications
- Houses all your client information in one, secure place
- Includes built-in E-Signature and cheque verification
