Additional Underwriting Criteria

Criteria for Non-Smoker Rates

No use of cigarettes, e-cigarettes (with or without nicotine), cigarillos, small cigars, cigars, pipe, chewing tobacco, shisha, betel nuts, Nicorette products, nicotine patches or tobacco in any other form.

- ▶ For **large cigars**, we allow non-smoker rates if use does not exceed 12 per year and provided the urinalysis is negative for cotinine.
- ▶ For **marijuana**, depending on the quantity used per week, non-smoker rates may apply, provided the urinalysis is negative for cotinine. Still depending on the quantity used per week, the case may be rated or declined.

Additional Underwriting Criteria

Criteria for Super Preferred and Preferred Rates

Offered on Term Insurance amounts of \$500,000 or more. A paramedical, blood profile and urinalysis are required. Depending on the requested amount and the insured's age, an ECG may also be required.

We review a multitude of criteria to offer Super Preferred and Preferred rates to our clients, such as family history, height/weight ratio, lab test results, use of alcohol, tobacco, marijuana or drugs, medical history, etc. A full list can be found on our illustration software.

For example, if an insured has been diagnosed with dyslipidemia under treatment (high cholesterol) or diabetes, only the regular class is applicable, even if the condition is well controlled.

Additional Underwriting Criteria

Unemployed Spouse Coverage

Life Insurance: We will request total family income, take 50% of that income and multiply it by the age factor. For a higher amount, the application is reviewed on the basis of individual consideration with supporting reason.

Critical Illness Insurance: We will take 4x the earned annual family income, maximum \$250,000.

Child Coverage

Life Insurance: Should not exceed 50% of a parent's coverage amount. We will not combine both parents' coverage amount to offer a higher amount for a child.

Critical Illness Insurance: 50% of the parents' coverage amount, maximum \$250,000. For amounts greater than \$100,000, the reason for the amount must be provided.

Business Insurance

All questions in Part 3, Section B of the application must be answered at all times. The reason for the amount must be provided and all partners should be insured proportionally to their percentage ownership in the company. Financial statements may be requested depending on the information on file.

Key Person

Life Insurance: 5 to 10x annual income.

Critical Illness Insurance: 3 to 7x annual income.

Buy-Sell Agreement: Based on financial statements and percentage ownership of each shareholder.

Loan Protection: Based on amount of loan. Loans eligible for coverage must be issued by a licensed institution (bank, etc.).
