PROVISIONS SPECIFIC TO THE TAX-FREE SAVINGS ACCOUNT

1. TERMS AND CONDITIONS

The Arrangement is a "qualifying arrangement" and meets the definition in subsection 146.2(1) of the *Income Tax Act* (Canada). Also, the Arrangement complies with the conditions in subsection 146.2(2) of the *Income Tax Act* (Canada).

The Arrangement is not considered a qualifying arrangement unless the Holder is at least 18 years of age when the Arrangement is entered into.

The Arrangement complies with prescribed conditions.

2. REGISTRATION

UV Insurance shall request registration of the Arrangement in accordance with the provisions of federal and provincial income tax laws, their regulations and amendments (hereinafter "applicable tax legislation").

3. ADMINISTRATION

The Arrangement is maintained for the exclusive benefit of the Holder.

4. DISTRIBUTIONS

The Arrangement permits distributions to be made to reduce the amount of tax otherwise payable by the Holder under section 207.02 or 207.03 of the *Income Tax Act* (Canada).

The Arrangement prohibits, while there is a Holder of the Arrangement, anyone that is not the Holder from having rights under the Arrangement relating to the amount and timing of distributions and the investing of funds.

5. TRANSFER

In compliance with reasonable demands that UV Insurance may make, the Arrangement provides that, at the direction of the Holder, UV Insurance shall transfer all or any part of the property held in connection with the Arrangement (or an amount equal to its value) to another tax-free savings account of the Holder.

6. CONTRIBUTIONS

The Holder may make payments (hereinafter "contributions") to the Arrangement. These contributions are made to UV Insurance and shall be retained or used according to the terms of the following Declaration.

The Arrangement prohibits anyone other than the Holder from making contributions under the Arrangement.

Each year, UV Insurance shall remit to the Holder a report of the Arrangement's transactions for the previous year.

UV Insurance shall not be obligated to verify the total amount of contributions made by the Holder during any taxation year and the Holder alone shall be liable for the fiscal consequences of any excess contributions.

7. INVESTMENTS

The contributions received by UV Insurance shall be invested, as directed by the Holder, in GIC-Type products offered at this time by the Company.

The Holder alone shall be responsible for determining if the assets held by the Arrangement constitute "qualified investments" in compliance with the *Income Tax Act* (Canada) and applicable provincial legislation.

If an investment was or becomes prohibited under applicable tax legislation, UV Insurance may liquidate or redeem the investment and retain the proceeds until new instructions are received.

The Holder recognizes that UV Insurance shall not incur any liability with regard to the investment choices that the Holder makes or for the consequences arising therefrom, even if UV Insurance had prior knowledge of the investment choices before they were executed.

In addition, UV Insurance shall not be responsible for any loss or depreciation in the value of the investments for the duration of the Arrangement or during the liquidation of all or part of the Arrangement assets.

8. TOTAL OR PARTIAL WITHDRAWALS

Amounts accrued in the Arrangement may be withdrawn, in whole or in part, subject to the provisions of applicable laws and compliance with reasonable demands UV Insurance may make.

9. DEATH OF HOLDER

In the event of the death of the Holder, UV Insurance shall remit the funds of the Arrangement to the beneficiary designated by the Holder or, in the absence of such a designation, to the Holder's estate, in a lump sum payment.

10. CONDITIONS

- ▶ Notwithstanding all other provisions hereof, UV Insurance shall not be held personally liable for any tax, interest charge or penalty that may be imposed on UV Insurance in connection with the Arrangement under applicable tax legislation (be it by way of assessment, reassessment or otherwise) or for any other charge collected from or imposed on the Arrangement by a government authority.
- ▶ UV Insurance shall not be liable for any act or omission in relation to the Arrangement, barring gross negligence on its part or that of its employees or mandataries.
- ▶ As long as the Arrangement is eligible for registration under the *Income Tax Act* (Canada), it shall constitute an irrevocable trust, and the property held by UV Insurance, cannot be withdrawn, transferred or assigned, in whole or in part, subject to the requirements of applicable tax legislation. It prohibits the trust from borrowing money or other property for the purposes of the Arrangement.
- ▶ This Arrangement shall not confer any advantage upon the Holder or any person with whom he is not dealing at arm's length, except for those advantages stipulated in paragraph 146(2)(c.4) of the *Income Tax Act* (Canada) and in equivalent provisions of any provincial legislation.
- ▶ UV Insurance makes no representation either confirming or denying the seizable nature of the funds constituting the Holder's Arrangement.

11. AMENDMENTS

When it deems appropriate, UV Insurance may amend the provisions of the Arrangement, on condition that the Arrangement remains compliant with legal requirements at all times. Such amendments shall take effect on the 30th day after a notice of amendment is mailed to the Holder.

12. NOTICE

Any notice given to UV Insurance hereunder shall be deemed to have been given on the day it is received by UV Insurance if sent by mail with sufficient postage to UV Insurance's head office. Any notice or statement that UV Insurance must forward to the Holder shall be mailed to the Holder at the address indicated in the Application for this Arrangement, or in any subsequent notice of change of address and shall be deemed to have been given on the third business day following the day of mailing.
